CHAIRMAN'S CORNER

"The Chamber with Golden Opportunities!"

Dear Fellow Chamber Members,

I am so excited about serving you as the 2009 Chairman of the Board for the Danville Area Chamber of Commerce. I look forward to my term with enthusiasm and new ideas. I follow a terrific leader, Elaine Cortez Schroth with Bay Building Maintenance. I would like to publicly thank Elaine for dedicating so much time to the Chamber. She is involved in the community, her family and her business. I look forward to following in her foot steps.

I chose the theme, "The Chamber with Golden Opportunities" because my husband Jim and I own a jewelry store on Hartz Avenue. We both feel our business is located in a "gem" of a community and we are believers in the Chamber. The Danville Area Chamber of Commerce has been around for 60 years and serves the businesses and the community at large. With the help of the Chamber's strong team of President & CEO Melony Newman, Charlotte Mills and Debra Long, I look forward to 2009!

The 2009 Board of Directors and I will provide the Chamber with professional guidance and leadership this year.

I look forward to serving as Chairman of the Board. I welcome the opportunity to hear your thoughts or ideas regarding business and the community.

Please stop by Christie James Fine Jewelry Works and say hello.

Warmest Regards,

Chris Edlund

To our valued Members,

It's a New Year and time for new beginnings!

Our Board of Directors is an amazing group of professional business leaders from the community. Our 2009 Chairman of the Board, Chris Edlund is well connected in the community with her business and personal interests. She graciously gives back to many organizations and the Chamber is lucky to have her as the COB. She is a jewel.

I would like to thank Steve Wilcox with Summit Financial. He served three years on the board and spear headed the Marketing committee. It was his leadership that carried us through the 2008 changes on our website, logo and marketing collateral. Likewise, we are losing Karen Kehr with Smith Barney who made an incredible difference in Membership during her years on the Board. She had terrific fresh ideas and resuscitated our orientations. Thank you to Michael Barnard with Rakestraw books. He made numerous contributions while serving the last three years. We thank all three of them for their contributions and look forward to seeing them at future events as a valued Chamber members.

Lastly, a very special thank you to Diane Slater with First Republic Bank. Diane has recently served on the board for two terms, was COB in 2007 and has been a member since 1982. She is the epitome of elegance and professionalism.

Please get acquainted with your Chamber, its members, Board of Directors and the staff. One of the best reasons is having a face to associate with a name. If you need support, have a question regarding your business, please let us know! The Chamber wants you to be successful and thrive. Thanks Tae, Father Nature's Restaurant

The Danville Area Chamber Ambassadors wish to thank Tae Pak, the owner of Father Nature's and his staff, for the fabulous breakfast he prepared for our Christmas Party. It was absolutely delicious. If anyone went away hungry it was their own fault!

We were impressed with the choices we had to choose from... a beautiful display of food; bacon, sausages, scrambled eggs, hashed brown potatoes, a mountain of strawberries, orange juice and all the coffee you could drink. Truly a breakfast fit for a king!! All this had to be prepared by eight o'clock in the morning how did you do it?
