As the producer of the Danville Fine Arts Faire and the Danville Fall Crafts Festival, I can vouch for the fact that it really does take a village to raise these “children”; and as Member of the Month, what a perfect opportunity to publicly thank those who have supported these festivals so that they could evolve into what they are today.

First & foremost, a huge thanks goes to the chamber staff and past & present board members for being there when we needed them most. We couldn't produce these festivals without you.

Second, our appreciation goes to the Town of Danville personnel who make our lives so much easier while temporarily disrupting the “norm” along Hartz Avenue two weekends out of the year. And to all the businesses affected by this disruption, we thank you for your cooperation & your support. Without that, the festivals would be very limited in scope and creative endeavors.

And, finally we are grateful to the Best Western Danville Sycamore Inn for providing comfortable lodging during festival weekends.
Thank you Martin Fox!

CHAIRMAN'S CORNER

Maximize Your Membership

It's not everyday that I am elected to serve as the Chairman of the Board of the Danville Area Chamber of Commerce, so forgive me if I take a moment to thank all of those who supported my candidacy with their votes. Thank you! I really appreciate your support. It won't be easy following the absolutely exemplary leadership role provided by Chris Edlund this past 12 months, but even as it challenges my ability I would like you to know that you have my commitment to do the best job I possibly can for you and our Chamber.

This year I am surrounded by a terrific Executive Committee. Kim Lindeberg, The Lindeberg Group, has stepped up as the Chair Elect and will handle the Chamber's finances and ultimately succeed me as Board Chair in 2011. Jonathan Watts, Frankel & Goldware Law Offices, after doing a super job last year has re-upped as Vice-Chair of Membership. Lori Sato has signed on for another hitch as Vice-Chair of Economic Affairs and Virginia Duan, New Spring Financial Planning, our newest Executive Committee Member, has taken on the role of Vice-Chair for Promotions. Our outgoing Board Chair, Chris Edlund, will remain active on the Executive Committee and will continue to provide guidance and support for our Chamber Board.

It is with great pleasure that I introduce you to our three new board members, Dee Thompson, Law Offices of Terry L. Thompson, David Miller, Ultimate Security Inc. and Rick Johnson, Rick's Tooltime. Each of these newly elected board members has been very active in our Chamber and is a welcome addition to our board. We are looking forward to getting to know them better as they become more involved with the daily workings of our Chamber Board.

We have an outstanding lineup of returning board members for 2010. They include: Andrea Landsberg, Sunset Development Company, Ria Sim, TwigsStudio, Larry Marx, Diablo Country Club, Susie Wingate, CMG Mortgage Services, Inc. Darren Nicholson, Autonomic Software, Inc. and Guy Greco, Heritage Bank of Commerce. Combine all of these great folks with our professional staff of Melony, Charlotte, Debra and Martha and what a marvelous team I am blessed to work with.

In this very interesting economy we are experiencing, it seems logical to me that Maximizing Chamber Membership is a sure fire way to grow business through networking and referrals. During our recent board retreat, I launched my annual theme, Maximize Your Membership. I promise to expand more on this theme as the year progresses and reveal plans that the board developed during our annual planning session. I am looking forward to an outstanding year for the Danville Area Chamber of Commerce in 2010.

Warmest Reagrds,

Joe Combs
2010 Chairman of the Board
The Combs Team

Mission Statement:

Our mission is to enhance the growth and development of business and the quality of life in our community, by helping to keep our membership informed, connected, and prosperous.

We hope you will join us at 1:00 on December 27th to Welcome Home and honor our active military youth and to see the first presentations of Challenge Coins to those who are helping us build new facilities for our honored veterans, community, and seniors.

From the President's Desk

To our valued Members,

It's a New Year and time for a fresh start. I think most of us are ready for a new year.

Our Board of Directors is an amazing group of professional business leaders from the community. Our 2010 Chairman of the Board, Joe Combs is well established in the community. He generously gives back to many organizations and the Chamber is fortunate to have him as COB.

I would like to thank Elaine Cortez Schroth with Bay Building Maintenance. She served 5 years on the board and was COB in 2008. Likewise, we are losing Dan Dellegrotti with AlphaGraphics. We thank them for their contributions and look forward to seeing them at future events and continue as valued Chamber members.

Lastly, a very special thank you to Chris Edlund with Christe James Fine Jewelry works who recently served on the board for two terms and was COB in 2009. She is the epitome of elegance, professionalism and community contributor.

Please get acquainted with your Chamber, its members, Board of Directors and staff. As Joe's theme suggest: Maximize your membership! One of the best reasons is having a face to associate with a name. If you need support, have a question regarding your business, please let us know! The Chamber wants to help you to be successful and prosperous. Please use the website as a business tool: www.danvilleareachamber.com

Make a new commitment to yourself and the Chamber: Participate! We want to make this year successful for you and your business. How can we make a difference together in 2010?

Happy New Year!

Melony Newman

We have made many changes to our shop since our purchase and we invite you to stop by and "smell the roses"... and all the other fragrant, high-quality flowers and plants we have to offer. Our services include: flowers for every occasion; gourmet gift baskets; sympathy tributes; arrangements for home or office; and complimentary consultation for weddings, anniversaries and other special occasions.

My job situation changed drastically in early 2009 and I needed to find a vehicle where I could promote my passion as a MonaVie Distributor. I joined the Danville Area Chamber in March after researching several other city Chambers of Commerce and I have not been disappointed. I love our Mission Statement.

My decision to become an Ambassador grew out of learning the role of an Ambassador. This has given me the chance to meet some wonderful people and share the Chamber's many opportunities with them.

I look forward to a long and prosperous relationship as an Ambassador with the Danville Area Chamber.

I have always enjoyed pasteries and desserts, but most of all my passion is cake decorating.

I began to learn the craft by decorating my children's birthday cakes and little by little my passion grew. Happy to see little children smiling and happy for their cakes, I knew that I was on the right track, soon, I was decorating wedding cakes, and the result were happy and smiling young couples.

Each time I decorate a wedding cake, I feel the couple's happiness and future hopes so much so that I feel that their happiness reflects in my work, and I actually feel a part in sharing their most wonderful day. There is truly a joy in what I do, and I cherish it every day.
