I have had a great time being part of the technical team that keeps the Chamber office up and running (and emailing!) for the past 4 years.

Danville has been home for over 15 years with my wife (the famous Mrs. Kerr from Tassajara Hills Elementary School) and two daughters.

Decade Computer provides computer and home theater service for homes and small businesses in the Danville area. Decade began in 2003 and now has over 800 customers in the Danville area.

It's always exciting to help navigate the challenges in our networked, always-on, electronic lives.

Maximize Your Membership!

Dear Members,

This will be my final newsletter as your 2010 Chairman of the Board as I will shortly pass the gavel to Kim Lindeberg our incoming Chair for 2011. It has been an honor, a privilege and quite a bit of fun to have served. This year also concludes my term as a Chamber board member. These six years have raced by faster than I could ever have imagined they would.

The Chamber experience has been an incredible one for me. I have met hundreds of wonderful people from the Danville Area. Melony and her staff have been phenomenal and a constant source of inspiration. I can't thank them enough for their help and support. This year's Board of Directors has been outstanding. They have risen to the challenge of growing membership and increasing networking opportunities which were the hallmarks of my annual theme, "Maximize your Membership!"

We have been hard at work for you with Ribbon Cuttings, Street Fairs, Aloha Golf Tournament, Business Showcase, monthly mixers and so much more! Thank you to our Corporate Sponsors: Kenny Family Chiropractic and Stoneridge Creek Retirement Community, with our 19th annual Danville Fall Crafts Festival on October 23 & 24 in beautiful downtown Danville. On November 26th you are invited to attend our annual Lighting of the Old Oak Tree Event. It's one of the biggest events of the Chamber year.

Thank you for making this a great year for me and the Danville Area Chamber of Commerce. I look forward to seeing you at our future events.

Joe
The Combs Team

Mission Statement:

Our mission is to enhance the growth and development of business and the quality of life in our community, by helping to keep our membership informed, connected, and prosperous.

From the President's Desk:

To our valued members,

Please plan to join us at the Lighting of the Old Oak Tree on November 26th. It is such a magical evening of holiday music, decorations, lights and traditions. It's an opportunity to kick off the holiday season among family and friends downtown. Bring your out of town guests and show them how fabulous our community is!

I know it can be a very hectic time of the year and I want to encourage you to find peace and calm during those stressful moments. Reflect on the blessings in your life. If you are running around buying gifts for family and friends, rejoice that they are in your life. The economic challenges of 2010 reminded us that nothing can be taken for granted such as our jobs, our homes and our health. Now is the time to reflect on the positives and look to 2011 with a sense of renewed hope. Remember; please support your local businesses during the holiday season. The best way to show appreciation is by supporting them! Save yourself time and stress by shopping locally and eating out at one of our amazing restaurants. It's reinvesting into your community.

I want to thank Joe Combs, with the Combs Team, as our Chairman of the Board for 2010. He embraces every event as an opportunity to use his levity and outgoing personality to make those around him feel at ease. Joe has never met a stranger. Thank you, Joe! Likewise, I look forward to working with Kim Lindeberg in 2011. Join us in February for the Community awards and Board Installation.

Wishing you the very best this holiday season and in 2011!

Respectfully,
Melony Newman
President and CEO
